## **DETAILED ACTION**

### **Reasons for Allowance**

1. The following is an examiner's statement of reasons for allowance: the amendments have clearly distinguished the present invention to the prior art reference. DIBIE et al.-5,531,788 has failed to disclose or suggest an anti-pulmonary embolism filter with fibers.

Claims 1, 3-4 and 18-34 are allowed.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

2. New corrected drawings are required in this application in response to the attached "Notice of Draftsperson's Drawing Review". The corrected drawings are required in reply to the Office action to avoid abandonment of the application. The requirement for corrected drawings will not be held in abeyance.
